

To whom it concerns:I am outraged to learn that NAB lobbyists are trying to effect my rights under the first ammendment. Satellite radio provides variety and quality that are not available elsewhere. I PAY for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Respectfully, I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Sincerely,
William Jonas
